

Nine ATTITUDE ADJUSTMENTS to Help Us Get Thru the Financial Crisis...

Adapted from an inspiring sermon I heard last Sunday —Editor

1) Are you in fear, doubt, or worry? Elevate your consciousness! Understand the strength and the peace of God that is at the core of the universe—and at the core of your being.

2) The earth is not forsaken. Remember David: “The earth is the LORD’s and the fullness thereof!” [Psalms 24:1] And Jesus: “Consider the lilies of the field, how they grow. They toil not, neither do they spin. And yet I say unto you that even Solomon in

all his glory was not arrayed like one of these. Wherefore, if God so clothes the grass of the field, which today lives and tomorrow is cast into the oven, shall He not much more clothe ye, O ye of little faith? Therefore, take no thought, saying, “What shall we eat, or drink?” or “Wherewithal shall we be clothed?” For the Father knows that ye have need of these things. But seek ye first the kingdom of God and his righteousness, and all these things will be added unto you.” [Matthew 6:28-33]

3) Daily prayers and communion with Spirit are necessary. When the trials and tests come, will you be firmly fixed in God? Or will you be swallowed up in the riptides of human emotion?

4) When ease, comfort, and pleasure are the only pursuits in life, we lose sight of our goals, we relax and become lax. Striving under difficult circumstances is a spur that keeps us alert and strong, and brings us greater joy and enthusiasm for life. Appreciate this opportunity to muster everything that you are made of!

5) In this time, too many have shirked their responsibilities. They have not been prudent, living beyond their means... or, even worse, allowing others to do for them what they should do for themselves. The source of all abundance comes from Above—not from manipulation in the marketplace, nor from the trickery that usurps the work and energy of others.

6) Engage in the right livelihood of your choosing. The abundant life shall return to you, perhaps not so much in the form of riches, but as a wealth of love and a wealth of wisdom.

7) You are the hope of the world! Pray and invoke the will of God daily into these situations. Anchor those prayers all the way into the physical earth herself. Purification and stabilization will come. Don’t waste one bit of energy on the unrealities of fear or negativity.

8) Victory for the earth is at hand—a new day, even a Golden Age. The question is: how much travail must the earth go through before this can happen? Be a part of the solution. Change can come quickly and painlessly especially for those aligned with faith, hope, and the light.

9) As you pray, stand in the outpouring of the light of God. Call it forth! Be the fullness of that light in action and all will be well with you. By your momentum of God-good, and the collective work of those who are doing the same throughout the earth, the Victory will manifest! ■
