

Tragedy to Triumph— 2024 Quantum Awakening

A Reflection of Universal  in the Global Mind

Winning from the Beginning of 2024!

Claiming the victory of any new project—or crisis resolution—is a process of predictive modeling—to SEE how you can BE the victor over circumstances rather than the victim of them.

This is how foresight sees the curves in the road ahead and steers in the right direction. To dwell on the ‘rear-view mirror’ (hindsight)—while driving forward—is a sure formula for crack-up.

In a similar way, dwelling on personal or planetary tragedy brings our worst fears upon us—more tragedy. That’s the original ‘SIN’—Stuck In Negativity).

The triumph of evolutionary ascent naturally overcomes the downward spiral of dystopian devolutionary descent.

The formula for this **Creative Ascent Process**’ (**CAPstone Vision**), naturally resonates with the **Aquarian Frequency Shift**—from the inside out—as pure intention focuses attention with  retention for conscious ascension in 5D+ dimensions of full comprehension.

Thoughtform Process of the Year: CULTURING CONSCIENCE

The instant-everywhere and interactive Internet has provided an exquisite metaphor for—and prelude to—the all-pervasive 2024 Quantum Awakening.

This is a general enlightenment process for culturing conscientious common sense with a high standard of vision, virtue and valor for the victory

of [Heart Coherence](#) and [Mind Congruence](#).

This Great Enlightenment phase of the computer/Internet revolution is 5D integration of 1D hardware, 2D software, 3D network and 4D [Heartware CyberEthics](#).

The Process of CO-CREATION

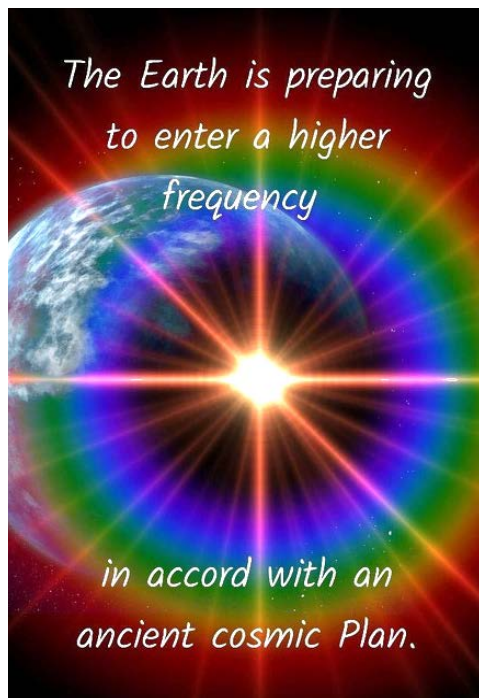

The process of interactive mass-to-mass ‘**TeLeComm**’ (with [Heartware](#)) will involve and evolve our individual and collective identity as a unified field—the Family of Mankind with a humane-kind prevailing awareness.

This is an upgraded Common Sense of who ‘we’ are as an alliance—‘US’ as United Sovereigns of Earth—who will co-create a tangible sense of ‘real community’ (unity in diversity), via local and global **TeLeComm**.

This new capability for **TLC**—*in action*—a holistic, healthy and holy spirit—provides the response ability whereby self-governing responsibility makes corrupt organizations accountable for self-serving power to profit from war, disease and AI trans-humanism.

Global Holistic Healing

Free online [Universal Self-Care](#) will provide highly personalized database infomatics for the analysis, prevention and management of all disease. Global public use of this self-correcting database model of Aquarian holistic health care standards will gradually make the pathological disease-profiteering system obsolete.

The instant-everywhere
and interactive Internet
has been a prelude to
—and apt metaphor for—
the all-pervasive, 2024
Quantum Awakening.

EFFECTIVE SENSORY PERCEPTION

Quantum awakening with
the Aquarian Frequency Shift
will culture the **Currency
of Conscience** with an eco-
nomics of abundance based on
abundant Conscience.

General enlightenment will
be optimized by the **Universal
Light Language** interface
for Global **TeLeComm**. This
language of consciousness—
framed by **Aquarian LOVE
Principles**—will upgrade
Common Sense at the heart of
global **rEVOLUTION**, empha-
sizing 90% of the word.

Welcome to the **Aquarian Quantum Age**

The Aquarian Age will
be widely known as the
Quantum Age, at least for
the scientific minded who
are familiar with **Quantum
Science**, **Quantum Healing**
and **Quantum Reality**. This
is how higher frequencies
in one's '**Brain Holodeck**'
(quantum mentation field)
will naturally transcend
'DUH' (Dense, Unconscious
and Heartless).

Those higher frequen-
cies of **TLC**—as **Christic
Conscience**—will naturally
upgrade the currency of
conscience for an econom-
ics of abundance based
on abundant conscience,
health, peace and prosperity.

This is how we collec-
tively ascend beyond the
unconscionable value of
scarcity—the current eco-
nomics of scarcity—that creates
and manages disinformation,
disease, war and austerity
for the profit and power of a
heartless few.

REAL community in our
global social media community
networks will naturally be
cultured by cooperative com-
munication coordinations—to
come into unity—as is always
empowered by the wisdom
of **TLC Conscience**.

Heaven knows that
TeLeConscience is ordained
as our co-Creation destiny with
the quantum shift into our
Aquarian future! ■
