## THE ENERGY ENHANCEMENT SYSTEM™ WHAT CAN IT DO FOR YOU?

The EESystem™ generates multiple, bioactive, life-enhancing energy fields, including “scalar waves,” which can allow for:

**CELL REGENERATION, IMPROVED IMMUNE FUNCTION, RELIEF FROM PAIN, DETOXIFY THE BODY, ELEVATE MOODS, AND ASSIST IN BALANCING RIGHT- AND LEFT-BRAIN HEMISPHERES TO INCREASE ENERGY LEVELS**

This stunning technology, developed over 20 years by Dr. Sandra Rose Michael, PhD, DNM, DCSJI, uses custom-installed computers to generate morphogenic energy fields that can promote healing. The EESystem has been recognized at dozens of medical, scientific, and professional conferences around the world.

EESystems have been installed throughout the United States and internationally to promote wellness, healing, relaxation, purification, and rejuvenation. This ecologically and environmentally safe system is used by individuals, doctors, and therapists, and at meditation and wellness centers, to improve human development and psychological well-being. The Energy Enhancement System combines body, mind, spirit, and science to help you achieve peak performance and reach higher states of health, consciousness and self-actualization. ■
